**INFRASTRUCTURE UNIT**

**OR 7900: Specification for Plumber to unblock drain.**

<b>Project Name:</b>	Repair & Maintenance Main Building (Operational): Unblock main sewer line to building.		
<b>Prepared by:</b>	D.A. Maree	<b>Signature:</b>	<i>[Signature]</i> <b>Date:</b> 2023/07/24

**1. Terms of reference**

*This procurement request is for a service provider to unblock the main connected sewer line between G-Floor toilets and the main sewer line.*

**A. Background**

The department Local Economic Development, Tourism and Infrastructure is responsible for building maintenance on buildings of the Fezile Dabi District Municipality. It was reported by the maintenance officer that the G-floor men's toilet and urinal overflowing from time to time creating a health risk.

**B. Scope of Work / Terms of Reference / Specifications**

*The sewer line from the G-floor men's toilet and urinal up to the connection with the main sewer line needs to be un-blocked.*

**C. Expected outputs / Outcomes**

Un-blocking of G-floor men's toilet and urinal up to the connection with the main sewer line.

**D. Reporting**

*The LED, Tourism & Infrastructure Department will be responsible for the monitoring and reporting of the maintenance works.*
